

What are therapeutic youth day treatment services?

RBHA's Therapeutic Youth Day Treatment services engage qualified youth in the following activities at school:

- Daily Cognitive Behavioral Programming
- Daily Psycho-educational Groups
- Weekly Family, Individual and Group Counseling
- Crisis Intervention
- Other Service Coordination as needed

Promoting academic success

Programs boast a reduction in suspensions, absences, and disciplinary referrals.

If you or someone you know may be interested in the program, please contact

Jennifer Ford Tiller, LCSW
at 804-819-4065.

Richmond Behavioral Health Authority's

Therapeutic Youth Day Treatment Programs

Promoting the academic success of our youth, developing healthier families, and building stronger communities.

Therapeutic Youth Day Treatment

Day treatment programs are located throughout the Richmond Public School system. Day treatment is an intensive level of mental health services offered to youth in school who are experiencing emotional challenges such as, but not limited to, the following:

Grief

Loss

Anger

Depression

Anxiety

Trauma

Hyperactivity

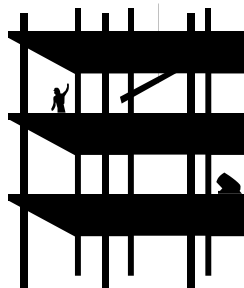

Defiance

School problems

Substance Abuse

Violence

Home problems

**Developing healthier
families**

How can I get more information?

Please contact your school's RBHA representative or contact the Director, Jennifer Ford Tiller, LCSW at 819-4065 or tillerj@rbha.org

How do I refer a child to the program?

Anyone can refer a child to the RBHA. Simply e-mail the Director at tillerj@rbha.org or call at 819-4065. You may also talk to your child's teacher or guidance counselor at the school to ask for more information.

Once a referral has been received, the RBHA intake staff will conduct an initial assessment with the child and guardian to determine if the child meets criteria for mental health services. Once the intake is complete, a child may begin participating in the program immediately.

Additional services offered to those participating in a day treatment program:

Family Case Management

Supportive Counseling in the Home

Parent Support

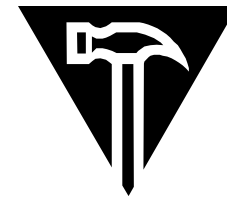

Psychiatric Evaluation and Medication Management

Get started NOW...

The child in your life is

one step closer to:

Improved academic success, coping skills, communications skills, anger control, familial relationships, social skills, and more are just a call or e-mail away!

**Building stronger
communities**
